INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

circ. let

Muskogee, Okla. August 3rd, 1909.

Hon. Guion Miller,
Commissioner to Eastern Cherokees,
Washington, D.C.

Sir:

Acting in accordance with instructions received from you, on the 21st day of July, recently, I went to Vinita, Okla., in order that testimony and proof might be submitted in relation to my claim to participation in the Eastern Cherokee money.

My evidence was rejected, those in authority claiming that only Indians by blood have a right to participate in said fund.

Realizing that you are in charge of this matter, I now write to ascertain whether such is the law--i.e. whether only Indians by blood and not freedmen as well are entitled to share in said fund. Kindly reply as early as convenient.

Yours very truly,

Hannah Thomas

Mary C. Keyes, being first duly sworn, deposes and says:

My name is Mary C. Keyes and I reside at Murrayville, Ga. I was born in Cherokee Co., North Carolina, in 1846. I claim through my mother, Malinda Voils, whose father James Voils was a full-blood Cherokee Indian. My mother was born in Hall Co., Ga. about 1811. My grandfather, James Voils, was born in the eastern section of Tennessee, near the North Carolina line. My mother was born and raised among the North Indians and could speak the Cherokee language. The Indians often visited our home place and my mother was recognized by them as a Cherokee Indian. I can remember my grandfather very well and he was always talking about his people, who he claimed were Cherokee people. My grandfather often told me about the time the Indians left this country and said he wouldn't go because my grandmother, who was a white woman, wouldn't let him. My grandfather had two brothers, James Voils and John Voils. I have cousins by the name of Voils who are descendants of James Voils and John Voils and they live in Kansas. I had two brothers, James and George Stumans. My mother had several brothers, namely, James Voils, Samuel Voils, William Voils, Beckly Voils, Elizabeth Voils and Mary Voils. My mother's brothers all went to rest. My grandfather moved to Cherokee County, North Carolina, with his people and lived there all his life. I do not know whether he was enrolled or not, and my mother never received any money or land from the Government. My grandfather would often go off with the Indians and stay several months and then return. He was always taken as an Indian because of his looks and appearance indicated that he was an Indian.

Mary C. Keyes
Assistant to Special Commissioner
of the Court of Claims.

This party has appearance of Indian

No. 22405.

Mary C. Keyes, being first duly sworn, deposes and says:

My name is Mary C. Keyes and I reside at Murrayville, Ga. I was born in Cherokee Co., North Carolina, in 1846. I claim through my mother, Malinda Voils, whose father James Voils was a full-blood Cherokee Indian. My mother was born in Hall Co., Ga. about 1811. My grandfather, James Voils, was born in the eastern section of Tennessee, near the North Carolina line. My mother was born and raised among the Cherokee Indians and could speak the Cherokee language. The Indians often visited our home place and my mother was recognized by them as a Cherokee Indian. I can remember my grandfather very well and he was always talking about his people, who he claimed were Cherokee people. My grandfather often told me about the time the Indians left this country and said he wouldn't go because my grandmother, who was a white woman, wouldn't let him. My grandfather had two brothers, James Voils and Jehu Voils. I have cousins by the name of Voils who are descendants of James Voils and Jehu Voils and they last I heard of them they lived in Arkansas. I had two brothers, James ~~Voils~~ Stumans and George Stumans. My mother had several brothers, namely, James Voils, Samuel Voils, Washington Voils and Emory Voils, and several sisters, namely, Ruth Voils, Becky Voils, Elizabeth Voils and Mary Voils. My mother's brothers all went to rest. My grandfather moved to Cherokee County, North Carolina, with his people and lived there all his life. I do not know whether he was enrolled or not, and my people never received any money or land from the Government. My grandfather would often go off with the Indians and stay several months and then return. He was always taken as an Indian because his looks and appearance indicated that he was an Indian.

Dewitt C. Hampton being first duly sworn deposes and says:

My name is Dewitt C. Hampton, and I live in Tennett, Mo. I am 48 years old. I claim my Indian ancestry through my mother, Nancy Ann Harris. My grandmother, Jennie Gunter, was born in East Tenn. near Chattanooga. I get my Indian blood solely through my grandmother's side. She died before I was born. My grandmother was near 70 years old when she died. My mother died when I was a child, she died in Obion County, Tenn. I was born in Obion County, Tenn. My mother was only a child when she left East Tenn. where she was raised to go to East Tenn. My aunt, Olive Fields, was my mother's elder sister, and she was born in 1819 in East Tenn. She and my mother went to West Tenn. when they were both young. The Lee boys of Tenn are claimants to participate in this fund, and they are descendants of my aunt, Olive Fields. My grandmother, Jennie Gunter died in East Tenn. and she was quite an old woman at the time of her death, before I was born. Jennie Gunter's father and mother were both Indians. Her mother Dollie Russell being a full blooded Cherokee. John Gunter, she lived in Going-Snake district in Indian Territory in 1893, and may be there yet. I told me that he was a descendant of my grandmother Jennie Gunter. My grandmother I never heard whether any of my ancestors ever got any money from the Government on account of his their Indian blood. To the best of my knowledge and belief my great grandparents on my mother's side were born and raised in East Tenn. near Chattanooga. I have always understood from my people that we had Cherokee Indian blood. I am regarded as a white man in the community in which I live.

Application
No. 22408

STATE OF OKLAHOMA,
COUNTY OF CARTER.

In the matter of the petition and application of DeWitt C. Hampton, and others, for a partition in the Eastern Cherokee Fund.

Before me, the undersigned a Notary Public, in and for the County and State aforesaid, on this day personally appeared Joseph P. Mullen who makes affidavit and solemnly swears; that I am a citizen of the City of Ardmore, County of Carter, State of Oklahoma; that my post office address is Ardmore, Oklahoma, and, that I am about sixty (60) years of age.

And I further swaer that to the best of my knowledge that I became acquainted with DeWitt C. Hampton during the year 1893 and while I was residing in the City of Fort Smith, State of Arkansas; that the said DeWitt C. Hampton employed me to assist him in trying to establish his right to Cherokee Citizenship in the Cherokee Nation, together with a goodly number of his Cherokee Indian relatives, consisting of his wife and children, brothers, sisters, nephews, nieces and cousins, whose respective names affiant has forgotten; that during the year 1893 and shortly after I first become acquainted with said Hampton I prepared a formal application to the Cherokee Council asking that he and the above named blood relatives be granted Cherokee Citizenship, and said application set out among other matters the genealogy and pedigree of himself and his other relatives.

This application was supported by his affidavit and by

#2

the ex parte affidavits of Ollie Fields, whose post office address, was Hornbeck, Obine County, State of Tennessee, and Thomas Hampton whose post office address was Tiptonville, Lake County, State of Tennessee, and George W. Vann, whose post office address was Muldrow, Indian Territory.

This application duly sworn to by the applicants, together with the said mentioned affidavits attached thereto were presented to the proper Official at Talequah, for consideration and action, but from one cause and another there was no action taken whatever on the said petition, and that subsequently and some time during the later part of the year 1893 myself and said Hampton made another trip from Fort Smith, Arkansas, to Talequah, for the purpose of having his application for Cherokee Citizenship acted on but we failed to get his application considered, and at which time the Council was in session, and it passed a resolution not to hear any applications for Cherokee Citizenship, and after we had learned this we returned and did not file his application.

Affiant further swears that when affiant became acquainted with the said Hampton, he (Hampton) said that he (Hampton) had moved from Obine County, State of Tennessee, and was on his way to the Cherokee Nation to establish his rights in the Cherokee Nation to citizenship as a Cherokee by blood and was at that time stopping in Sebastian County, State of Arkansas, and near the City of Fort Smith, and that he was not less than a sixteenth Cherokee by blood; an admixture of white and Cherokee; that he was the son of Hoge &

No. 3

Nancy Ann Hampton whose maiden name was Farries and was the daughter of John Ferries and Jennie Ferries; that said Jennie Ferries was the daughter of John and Dolly Gunter; that Dolly Gunter's maiden name was Dolly Russell and who was the person from whom said DeWitt C. Hampton gets his Cherokee blood; that the said Dolly Russell was the said Hampton's great grand mother and was a full blood Cherokee and my recollection is that the affidavits of the said Ollie Fields, Thomas Hampton and George W. Vann corroborated this statement.

Affiant further states that the substance of said Ollie Field's affidavit, as he now remembers, was: That she was the blood aunt of the said DeWitt C. Hampton; that she resided in Obine County, Tennessee, and was about seventy nine years of age; that she was at least one eighth Cherokee blood; an admixture of white and Cherokee blood; was the daughter of John and Jennie Ferries and was a sister of said DeWitt C. Hampton's mother and the grand daughter of the said John Gunter and Dolly Gunter, nee Dolly Russell, and who resided in East Tennessee and were recognized as Cherokees;

That said Thomas B. Hampton, in his affidavit herein referred to, stated that he resided in Lake County, Tennessee, and was about sixty seven years of age; that he was personally acquainted with DeWitt C. Hampton and his parents, namely: Hoge and Nancy Ann Hampton, and Jennie Ferries, nee Gunter, and knew that they were recognized as being Cherokee Indians by blood and resided in

No. 4

East Tennessee.

That the affidavit of the said George W. Vann stated in substance that he was born in East Tennessee and was about seventy years of age; that he was personally acquainted with said Dolly Gunter whose maiden name was Dolly Russell, and that she resided near Gunter's Landing on the Tennessee River and not far from Chattanooga, Tennessee; also that he was acquainted with John Gunter, the husband of Dolly; that he was also acquainted with the said Jennie Ferries and that she resided at the time he was acquainted with her near Gunter's Landing in East Tennessee.

Affiant further states that these three affidavits together with the petition, or application, of said DeWitt C. Hampton has been in possession of the affiant; that he has made diligent search for them and has failed to find them; that they have been lost; withdrawn from his office by someone, or destroyed by fire as his residence in the City of Ardmore was destroyed by fire on or about the first day of January, 1905, together with my household goods and all my personal and private papers.

Affiant states that from the physical appearance of said DeWitt C. Hampton that he is at least one sixteenth Cherokee blood, and from personal acquaintance and general knowledge of the traits and physical appearance of Indians that I believe the said DeWitt C. Hampton to be a Cherokee by blood, and from my acquaintance and dealings with him I believe that he is an honest and upright man,

No. 5.

and is a Cherokee by blood; that the affidavits herein referred to established his Cherokee blood and a right to share in the funds and property belonging to the Cherokee tribe of Indians.

That affiant is informed and verily believes that said Ollie Fields and Thomas B. Hampton are dead, and that said George W. Vann was two years ago in extreme bad health and since said date affiant has not seen or heard of him. At the date mentioned he was residing near Fort Smith, Arkansas, in the Cherokee Nation, and if now living would be about eighty five (85) years of age.

Affiant further states that he has no interest direct or indirect in the prosecution of the claim of the said DeWitt C. Hampton and is not related to him by blood or marriage.

De Witt C. Hampton,

Henrett, Mo.

Sir:

The application which you have filed for participation in the Eastern Cherokee fund contains practically no information concerning your ancestry. Unless, therefore, you can furnish us with some additional information your claim cannot be further considered. The additional information is:

1. The names of your grandparents on both sides?
2. Were you, your parents and grandparents, ever enrolled?
3. Were any of your ancestors slaves?

State clearly all your reasons for thinking that you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Chief Clerk.

Dear Sir,

Mr. Platoff Miller, who is in my office at this time, and at whose instance we are writing this letter, says that he made application to the Daws Commission for enrollment, was enrolled, but when he called for his allotment was informed that his name had been stricken from the rolls. He applied under the name of Platoff Miller.

He has a son by the name of James Jackson, whose address is Porum, Okla.

Yours truly,

Please answer as once and refer in your reply to No. 41542-4196.

S.T. Davis being first duly sworn deposes and says:-

I am about 60 years old. I know Platoff Miller. He is an imposter. He claims to be Platoff Miller the son of Polly Gearin. He is not the man that he claims to be. He was here about 8 years before he ever made any claim of relationship. If he is the man that he claims to be, he would be a cousin to me deceased wife. During her life time he tried to make her believe that he was Platoff Miller and she remembered her cousin and told him that he was not the same person. He did not make this claim till he ~~was here~~ had been here about 8 years. None of his relations here will claim him. They all say that he is part negro. I am sure that he is an imposter and is swearing falsely.

Platoff Miller being first duly sworn deposes and says that:-

I was born about 1850. My mothers name was Polly Miller. My father was a white man and he left my mother before I was born. My mother had two other husbands by the name of Star and Gearin. She married Star first. Her maiden name was Reece. I had one twin brother by the name of William. Half brothers by the name of Henry and Ellis. Geo. or Fox and Maria. and sisters by the name of Nora and Sarah.. I lived with my mother till I was about 13 years old when I went off and joined the confederate army. I never came back here for about 40 years. I spent that time in Ala. Texas, Chicksaw and Choctaw Nations. When I came back here I could find any of my people. No body would own me. I guess it was beacuse I did not wear a standing collar and have a pocket full of money. I was here about 8 years before I found any of my relations. and then I found my sister. She is living at Ft. Gibson and her name is Nora White. She recognized me by a couple of scars. One on my hand made by my brother with a tomahook and a pock mark on my upper lip. I tried to get on the 80 roll, but no one would testify that I was Platoff Miller and they would not tell me where my sister was. When I found her she went and swore that I was her brother and I got citizenship papers, but it was too late for me to get any land. I never did get any land or money. I have been here about 18 years. When I first came back here I went by the name of Jackson, because I had killed a negro for calling me a liar. I never heard that my name was ever Platoff Lowry. I do not know how the name of Lowry came to be in my application. My sister at Ft. Gibson said that she found my name on the 51 roll.

Joseph Wm Bell being first duly sworn deposes and says:

My name is Joseph W. Bell, and I am 48 years old. I live at Sinclair, Tex. I know Dora S. Alford, who has just testified. I knew her mother, Jennie Pancake, and her grandmother, Martha Babb. Dora Alford is a neice of mine, but I have no Indian blood, as I am related on her father's side. I have no interest in any claim she may have against the Government. We all called Martha Babb, Jennie Pancake, as a nick-name. Martha Babb's mother was named Elizabeth Babb. Elizabeth Babb died in Tex. about 30 years ago. She was quite an old woman at the time of her death. I think that the old woman Elizabeth Babb was born in Tenn. for they came from that state to Mo. But I have no idea when they came to Mo. I think Martha Babb, the daughter of Elizabeth Babb was born in Mo. I always understood them to be Cherokees, but I do not know of their mixing up with the Indians back in the East. I never heard of their getting any money from the Government on account of their Indian blood. Elizabeth Babb claimed to be 1/4 Cherokee Indian.

Dora S. Alford being first duly sworn deposes and says:

My name is Dora S. Alford, and I live at Anson, Tex. I am 21 years old. I claim my Indian blood through my mother, Jennie Pancake, who died in 1895. She was about 35 years old at the time of her death. My mother got her Indian blood through her mother, Martha Babb. My ~~grandmother~~ grandmother died in Corell county, Tex. in 1900. She was about 60 years of age at the time of her death. My grandmother was born in back in Mo. so I have heard. I have ~~xxx~~ letter from my uncle/ Wm Babb, who lives at Langtry, Tex. And he has told me about my Indian blood through grandmother Babb and her people. This uncle has not applied to participate in this fund. He did not learn about this money until it was too late to get in. Wm Babb is my great uncle, being a brother of Martha Babb and not the brother of my mother. He was hurt and unable to come today, but he sent me two letters in regard to my Indian ancestry, which I herewith file with my case, and ask you to consider in relation to my claim. I think that my grandmother, Martha Babb claimed to be 1/8 Cherokee Indian.

Richard N. Hurd being first duly sworn, deposes and says:

That I am 62 years of age. I claim my Indian descent through my father; my mother was a full blooded white woman. My wife is a white woman, as far as I know. My father claimed Indian through his mother, Katy Walling. Her father's name was Tom Walling. My father and his mother were born in Hancock Co., Tenn. My father was born in 1809. My grandmother Walling died somewhere in the forties. Grandfather Hurd had no Indian blood. My father was never on the roll. My father claimed to be 1/8 Cherokee. He came West to Benton Co., Ark. in 1850. Up to that time he lived in Hancock Co., Tenn. My father died in Benton Co., Ark. in 1872. I don't know whether his mother or direct ancestors were ever on any rolls. I don't know that my father lived with the Indians or not, but my grandmother lived with the Indians as a member of the tribe there in Tenn. After she married she ceased to live with them. Dick, Tom, Elijah, Joe were brothers of my father. They were all born and raised in East Tenn. None of them came West but my father. I did not make application to the Dawes Commission. None of my brothers have made application in this fund. They live in Benton Co., Ark. I came here in 1888 from Arkansas.

My name is Parlee Bray. I am 39 years old. I live in Nowata County, Oklahoma. I was born in Alabama. I left Alabama two years ago. I lived in Tennessee four years. I know Eller Miles; she is my daughter. Her Indian blood comes through witness. I claim Cherokee blood. I was not enrolled by the Daws Commission. I was not enrolled in 1884. I don't know why we were not enrolled. I have never associated with any other tribe of Indians. I got my Indian blood from my father. His name was Dock Morris. He has been dead 15 years. He died in Alabama. I think he was born in Georgia. I don't know how old he was at his death but think about 50 years old. My mother came to the Territory 6 years ago. I married at 14. My father never came out here. I do not know whether he was ever enrolled. I never heard whether he/ever got any money from the Government. He got his blood from his mother, Nancy Jones, and her married name was Nancy Morris. She was a full-blood. I don't know whether she was ever enrolled. I don't know whether she ever associated with any other tribe. She never came back to this country after returning to North Carolina. Grandmother was left there, I know. I have brothers and sisters, 2 Freeman Morris, Jeff Morris and May Hutchinson and they live in the Choctaw nation. They were born in Alabama. They have been here six years this last March. My father had a sister Missouri Morris, ~~Mary Morris~~ Sarah and Mattie Morris. I had an uncle Dick Jones and Betsey Jones was my greatgrandmother on my father's side. My name is Edward Russell, and I am 44 years of age, and live at Chicago, Ind. I claim my Indian blood through my mother, Mary Chandler. She was born 11 or 12 years old at the time of her death, and she was born about 1830. I never heard her talk about her Indian blood. But my mother and aunt talked a good deal about our Indian blood. My mother got her Indian blood through both of her parents. My mother's name was Caroline Chandler and my grandfather's name was Samuel C. Chandler. They emigrated from N.C. up here, but I do not know from what county they came. They came here before the war. One of my uncles was ever got any money from the Government on account of his Indian blood. None of my ancestors were ever held as slaves.

Dear Sir,

I would be glad to
know if you have
taken up Application
No. 22463 And where it

Yours Truly
Robert J. Adams

App. #22463.

August 27, 1907.

Robert L. Adams,
Manitou,
Oklahoma.

Sir:-

Replying to your letter of August 19, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to participate in this fund, or how much each successful claimant will receive.

As there are already over 35,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Where were your grandparents on your father's side living

In what district were they enrolled in 1851?

If, as you state, your father was living in 1851, was he

War in Company H., 2nd Indiana Regiment of Indiana, and that if I will take the trouble to look up these rolls I will find his name there. Even if I had the time to look up these rolls, the information that I desire would not be found there, as I wish to know whether or not he was an Eastern Cherokee Indian enrolled in 1851. If he was not enrolled, why was he not enrolled? It is to your advantage that you furnish this office with the necessary information, in order that I may establish your claim if possible.

Madam:

Replying to your letter of February 29, 1908, you are advised that your application has been filed in this office by Mr. W. E. Waterhouse, of Oshkosh, Wisconsin, who represents a number of claimants in the matter of the Eastern Cherokee enrollment.

Your application has not been reached for final consideration, and we cannot advise you at this time whether you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 44,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

COURT OF CLAIMS
EASTERN CHEROKEES
FEB 27 1908

#16072
HWS

Ochelata Oklahoma,
February 22nd 1908.

To the Hon' Guion Miller, Special Agent for Eastern Cherokees,
Ouray Building Washington D.C.

Dear sir:-

In reply to your favor of the 15th relative to my claim to the eastern Cherokee funds will say-

I have but little knowledge of my people as far back as the rolls of 1851, but I am enclined to think that my parents must have been absent from the Chrokee Nation at that date. I think however you can find my Great Grand Father's name on the rolls of 1851, his name was John Moore, and he was the father of my Grand Mother whose name was Betsey Moore, and she married John McGuire who was the father of my father. My father's name was Jesse Calvin McGuire.

I do not know just when my parents moved from Tenn' but they must have moved from thers to Missouri in an early date, My mother was born and raised in the State of Tenn. and was married to my father in that state. She was a white woman out right, and I do not think she had any claim of indian blood in any way.

I get my indian blood from my father, and he was supposed to be about one half Chrokee Indian.

I have been told that my Great Grand Father either had an uncle, or his father's name was Mater Moore, but I am not sure which it was. I having been cut off from my people in the manner that I was makes it a hardship on me so far as tracing my family relation.

Respectfully.

Thos McGuire

App. No. 22520

Mary Coggs being first duly sworn, deposes and says:

I was born in 1877. I was born and raised in Oklahoma. It was in Illinois District. My people got the bread and strip payment. I got land through the Dawes Commission. My Indian blood comes through my father, George Mc Daniel. The people used to call him George Redbird. He is dead. He has been dead 9 years and was nearly 40 years old at the time of his death. My father lived in Illinois District. He never got any other Indian benefits than those through the Cherokees. Levi Keys was older than my father and he was a half brother of my father on the mother's side. My father got his Indian blood through both parents. Redbird Mc Daniel was the name of my grandfather on my father's side. I think he was born in Georgia and that he emigrated to this country. My grandfather did not live long after he came out here. He came out before 1851. I don't believe it was before 1835. I don't know any of the brothers of my grandfather on my father's side. Alex Sweetkiller was the name of a brother of my grandmother, Polly Thornton, nee Mc Daniel. Indian name of my grandmother Polly was Su-a-los-kee. My grandmother has been dead only about 7 years. They lived in Flint District when they first came West. Then they moved into Illinois District. I have heard my people talk of drawing money. I have heard my grandmother speak of the Indians that the Government drove West, and she said that they did not have to drive them - that they just volunteered to come. I have never associated with any other tribe of Indians. I have never drawn money except from the Cherokee tribe.

App. #22525-1349.
SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.

Jan. 13th, 1909.

Lizzie Wolf,
Stilwell, Okla.

Madam:

In your application for participation in the Eastern Cherokee fund you give the name of one of your children as Ofelia Wolf, while in the application of your husband, Lincoln Wolf, her name is given as Katie Rine Wolf. Will you kindly advise this office as to which is the right name?

A prompt reply will be appreciated, and in answering refer to S.A.S. No. 22525-1349.

Very respectfully,

John Miller
Special Commissioner.

REPLY

Stilwell Okla. 1/22/1908

Dear Sir:

In replying to the above enquiry will say that my child is named Ofelia Wolf, we have no other children except Lincoln our baby who is three years old. There is a mistake in the way my husband gave the name: he is the only adult Lincoln Wolf and Ofelia is the proper name. Yours truly Lizzie Wolf.
